

Objective: Separate the ring with the metal chain from the puzzle.

Too difficult?

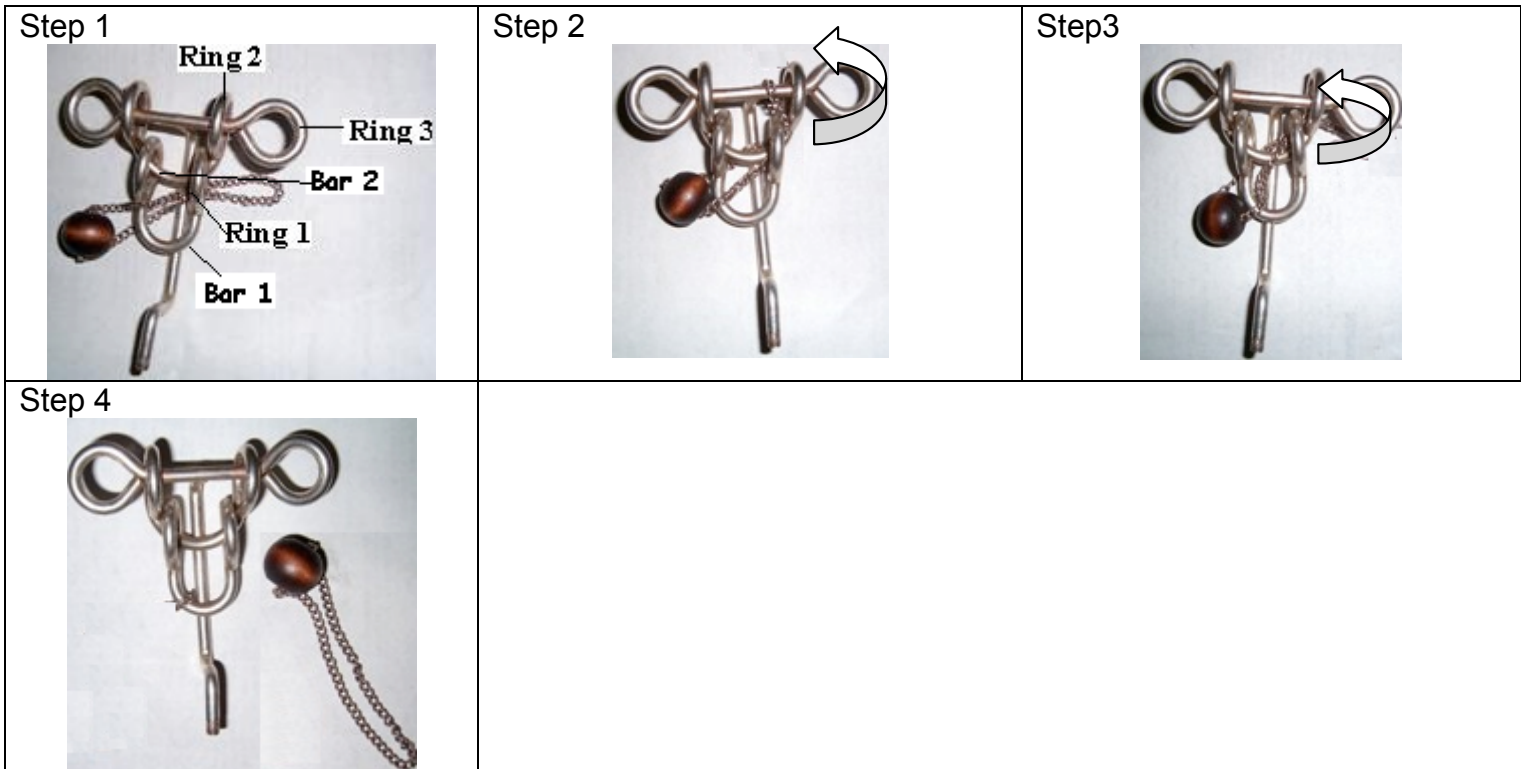

Take a hint from the solution below.

To Separate:

1. Pass the chain through Ring 1, (Step 1)
2. Continue the chain and pass it over Ring 3, Pull the whole lot back. (Step 2)
3. Now pass the chain through Ring 2 and over Ring 3. Pull the whole lot back. (Step 3). Now the chain should be on Bar 2.
4. Conduct similar progress as above to release the chain.

To Reattach

Make the reversed steps of the above.

ENJOY!
