

Objective: Separate the ring with the metal string from the puzzle.

Too difficult?

Take a hint from the solution below.

To Separate:

1. Start from Step 1, and pull the chain in arrow pointed direction.
2. Now you should reach step 2 position, pull the lot back.
3. Push the chain up to reach step 3 positions and pass the chain as arrow pointed position.
4. Now the chain should come off.

To Reattach

Make the reversed steps of the above.

ENJOY!
