

FAMOUS LINES

HOW TO PLAY

Place Baffle Booster™ Famous Lines deck face down in the center of play. Draw 1 Famous Line card and place face up where all players see it. Draw 5 Baffle Gab™ word cards. Use the Famous Line quote (ending in...) to begin your own story using the 5 words drawn from the original game deck. Follow Baffle Gab™ rules for play and scoring. Add 3 points for each successful use of a Famous Line drawn that round.
