

THEMES

HOW TO PLAY

Place Baffle Booster™ Theme deck face down in the center of play. Draw 1 theme card and place face up beside the deck. Draw 5 Baffle Gab™ word cards. Use the theme to guide the story you write with the 5 word cards drawn from the original game deck. Follow Baffle Gab game rules for play and scoring. Add 3 points for each successful use of a Theme drawn that round.

Players who successfully create a story in 1-sentence using all 5 word cards with the theme may double their points, including the 3 points earned for theme use.
